2018-2019 Cronkhite Graduate Center Sublet Kit

Dear Resident – The safety and security of all our residents is a top priority and is a responsibility shared by all of our residents. Those who live in the building have the right to assume that other occupants are affiliates or guests known to members of our community, as specifically authorized in your housing contract. As such, we take the rules and regulations regarding HUH sublets very seriously.

In order to have a successful sublet experience, please carefully read all the information in this sublet kit and review the Cronkhite Graduate Center Policies and Conditions regarding subletting prior to submitting your application to sublet. If it is determined that you have allowed the use of your unit for any unauthorized purpose, HUH reserves the right to change the unit locks and charge you, the resident, a $200 lock replacement fee or a $100 key fob replacement fee, as applicable to this property.

Be aware that failure to adhere to the policies and procedures is considered a violation of your housing contract, is grounds for contract termination, and will be communicated to the Dean of Students (if applicable) of your School.

We also want you to be aware that you remain the responsible party during the sublet period and may be liable for charges such as damages, lockouts, and lost keys, key fobs, or swipe access cards incurred by subresidents. We strongly recommend that you make your own agreement with your subresident to address all such issues.

Be sure to include all required items prior to submission (see checklist on last page). The processing of your request will be delayed if your application and supporting documents are not complete. If you have questions, send an email to leasing@harvard.edu or call 617-495-1459.

Revised 3/16/2018
Instructions and Policies

1. Find an eligible candidate to sublet your unit as detailed in the information below. Be aware that posting your listing anywhere other than harvardhousingoffcampus.com is a violation of the policies and conditions.

2. Fill out all applicable fields in the Cronkhite Graduate Center Sublet Application. You and your subresident must sign and date the application. Only the subresident named on this application may occupy the unit. Cronkhite units are single occupancy only.

3. Submit the signed application, along with proof of identity AND proof of Harvard University affiliation for the subresident to Harvard University Housing’s Leasing Group.

A subresident may NOT move into your unit without prior approval from Harvard University Housing. To do so otherwise is a violation of your Cronkhite Graduate Center Housing Contract.

- The Cronkhite Graduate Center Sublet Application does NOT constitute a contract and is only a request for approval to sublet. Harvard University Housing (HUH—the Owner) will not assume responsibility for any arrangements or personal sublet agreement made between the primary resident and subresident, and HUH does not mediate disputes between a primary resident and a subresident.
- We strongly suggest you make your own personal sublet agreement with your subresident.
- All sublet terms are subordinate to the terms of the Cronkhite Graduate Center Housing Contract. If the terms of your personal sublet agreement and the Cronkhite Graduate Center Housing Contract are inconsistent, the terms of the Cronkhite Graduate Center Housing Contract govern. If the Cronkhite Graduate Center Housing Contract is terminated for any reason, the sublet is automatically terminated.
- Exceptions to pet or other HUH policies are granted only on the basis of an eligible reasonable accommodation.
- If your subtenant requires a reasonable accommodation, their eligibility must be verified by appropriate University staff. Please contact the HUH disability housing coordinator at leasing@harvard.edu for preliminary information.
- The primary resident and subresident must exchange contact information with one another so each can be reached in case a problem or an emergency arises.
- Unless the Cronkhite Graduate Center Sublet Application is submitted to and approved by the Harvard University Housing Leasing Office, the Property Management Office will have no record of the subresident’s occupancy. Lockout and maintenance requests made by the subresident will not be responded to. The presence of an unauthorized subresident in your unit is a violation of your Cronkhite Graduate Center Housing Contract and may result in the commencement of contract termination proceedings.
- HUH does not inspect or clean your unit after your subresident has vacated.

Who is eligible to sublet in Cronkhite?
- You may sublet to a Harvard University affiliate (anyone who has proof of active affiliation as a student or employee of the University during the sublet period) and is aged 21 years or older at
the commencement of the sublet period. A proposed subresident who does not have a current
Harvard ID must provide their Harvard University acceptance/appointment letter or Harvard
Department-issued documentation, including assurance that the subresident will receive an
eligible Harvard University ID, with the Sublet Application.

- Researchers must provide their Harvard Department letter to ensure eligibility prior to approval.
  Not all researchers are eligible.
- An HUID Person of Interest affiliation does not meet eligibility (e.g., special borrower, library,
temporary access, vendors, and Smithsonian cards).
- Students graduating in May do NOT qualify to sublet during the summer recess, as they are
  considered alumni and are no longer current affiliates.
- You cannot sublet to a family member unless they meet all eligibility guidelines.
- Cronkhite residents are not permitted to be subResidents in another HUH apartment or unit during
  the term of their housing contract.
- Sub Residents are not allowed to sublet to another sub Resident.
- Any subresident not approved by the Harvard Housing Office will be deemed an unauthorized
  occupant, which is cause for termination of your HU Housing Contract. HUH reserves the right to
deny an unauthorized occupant access to your unit in the event of a lockout and to deny requests
for maintenance.

Please send an email to leasing@harvard.edu if you have questions regarding eligibility.

**When can I sublet my unit?**

- You can sublet during the winter recess (late December—late January) and the summer recess, as
defined by the Harvard University Academic Calendar
  (http://www.registrar.fas.harvard.edu/calendar/).
- At times other than summer and winter recesses you may sublet your apartment only if you are
  leaving for academic reasons and will return to finish your HU Housing Contract term (for example,
  if you plan to go abroad for study or research and then come back to finish your program at
Harvard). This option requires a letter of confirmation from your school.
- You may sublet a maximum of three times during each of these two time periods.
- Your sublet must start on a weekday (Monday through Friday).

**NOTE:** You CANNOT end your HU Housing Contract on a sublet. This means that if you are not extending
your housing contract for the next academic year, you cannot sublet your unit. Sublets are not allowed if
you elect to vacate on any date during your contract term, including the expiration date specified in your
current housing contract, or the expiration date of your short-term contract extension. For example,
during the Termination/Extension period, if you elect to terminate your contract and you are not
extending your contract for the next year, you cannot sublet, even if you will be away from your unit
temporarily and will return before your elected vacate date.

**How do I find a subresident?**

- The only place you are allowed to post your listing is on the Off Campus Listing site,
- Your HUH sublet listing will be free of charge on this site IF you carefully follow the directions for
an HUH resident posting an HUH sublet. Your listing will remain pending for further review and
processing by HUH. Our system is updated every business day, and your listing will be reviewed as
quickly as possible. If the listing information is incomplete or inaccurate, the approval process will
be delayed.
• Click here or go to http://huhousing.harvard.edu/sites/huhousing.harvard.edu/files/Listing%20a%20Harvard%20University%20Housing%20sublet.pdf for detailed information on how to enter your listing.
• Do NOT input your credit card information or you will be charged a non-refundable fee of $25.
• Posting your listing on any other site is a violation of your housing contract and grounds for contract termination.
• For questions about posting on the Off Campus Housing site, please contact the vendor directly (https://harvardhousingoffcampus.com/help). Let them know that you are a Harvard University Housing resident posting your apartment for a sublet.

NOTE: The Off Campus Housing site is not a Harvard-owned website; it is run by a third-party vendor.

Processing my sublet request

• Include proof of identity for the subresident listed on the application. Acceptable forms of identification include a government-issued ID (such as a passport or driver’s license) or a current Harvard University ID.

  Fax:  617-496-0404
  Email attachment: leasing@harvard.edu

                  1350 Massachusetts Avenue, Room 807
                  Cambridge, MA 02138

• Sublet requests are processed in the order they are received. During the busy summer season it might take five to ten business days; at other times of the year it is typically within five business days.
• Your application will be delayed if your application is incomplete; you are missing paperwork, signatures, or requested documentation; or any information is illegible.
• Notification of approval will be sent to the primary resident and the subresident via email.

Graduate Commons Program

• Harvard affiliates living in the Cronkhite Graduate Center are encouraged to participate in the intellectual, cultural, and social events offered through the Graduate Commons Program (GCP) during their sublet period. This unique interdisciplinary program provides a “home away from home” by creating a respectful and vibrant community for our residents, including those living with their families. This includes opportunities to network, collaborate across disciplines, and access Harvard faculty in a small group setting.
• Residents of Graduate Commons properties, including subresidents, are subject not only to all rules and regulations of the Graduate Commons Program but also to the standards of conduct of their respective School. The Graduate Commons Program works with the Schools to promote student well-being.
• The Graduate Commons Program Coordinator at Cronkhite Graduate Center is Tara Bartley. She can be reached at: tara_bartley@harvard.edu or 617-495-9257.
• More information about the program can be found at: http://graduatecommons.huhousing.harvard.edu.
**Meal Plan Info**

- Participation in the Cronkhite meal plan is mandatory for the primary resident, who is charged and held responsible for payment of the meal plan during the entire Cronkhite Graduate Center Housing Contract term. A subresident is not required to participate in the meal plan. However, as part of the personal sublet agreement between the resident and the subresident, the subresident can participate in the meal plan during their time at Cronkhite (if available during the sublet period*) at whatever charge is mutually agreeable between the two parties.
- If the subresident will be part of the meal plan, the resident needs to check the appropriate box on the Cronkhite Graduate Center Sublet Application. This information will then be shared with Harvard University Dining Services (HUDS), which will activate the subresident’s Harvard ID or the access card provided by the Property Management Office.
- Financial arrangements for the meal plan remain due and payable by the primary resident to HUDS throughout the sublet period. HUH and HUDS will not assume responsibility for any financial arrangements or agreements made between the primary resident and the subresident regarding meal plans.
- Please direct any questions about meal plan billing to Campus Service Accounts Receivable at CS_AR@harvard.edu or 617-495-1612.
- Meal plan availability is based on the Harvard University Dining Calendar, [http://www.dining.harvard.edu/campus-dining/cafes/locations/cronkhite](http://www.dining.harvard.edu/campus-dining/cafes/locations/cronkhite).

**Exercise Room**

- Subresidents who wish to use the exercise room must sign the “Acknowledgement of Fitness Room Policies and Assumption of Risks Release” available from the Property Management Office in Room #100. The exercise room may be used by Cronkhite residents and their approved subresidents only; guests are not permitted to access the room.

**Primary resident responsibilities**

- Show your unit to prospective subresidents. HUH will not issue viewing passes for this purpose.
- Provide a copy of the Cronkhite Graduate Center Housing Contract and all related documents to the subresident.
- Deliver copies of any HUH/Owner notices to the subresident, including alerting the subresident to any construction or projects occurring during the sublet period.
- Contact the Property Management Office regarding mail delivery during the sublet period. In some cases, notice of entry may go only to the primary resident.
- Be sure to share Internet access information with your subresident, and make your subresident aware of the University’s strict policies regarding the downloading of copyrighted information from the Internet. Because Internet is included in the primary resident’s contract, if the subresident downloads copyrighted information, the primary resident’s access will be shut down.

**Subresident responsibilities**

- If the subresident receives any HUH/Owner notices directly, the subresident is responsible for delivering copies of the notices to the primary resident.
- The subresident must comply with all terms outlined in the primary Cronkhite Graduate Center Housing Contract and Residence Hall Policies and Procedures for Cronkhite Graduate Center, which can be found online at huhousing.harvard.edu/apply/policies-and-procedures.
- Note: If your subtenant already has a valid Harvard University ID Card (HUID), they may have their HUID activated for access at the Property Management Office.
**Housing payments**

- Housing payments remain due and payable by the primary resident to Harvard University Housing throughout the sublet period. HUH will not assume responsibility for any financial arrangements made between the primary resident and the subresident.

**Keys/key fobs and swipe cards**

- Keys/key fobs and swipe cards issued to the primary resident are intended solely for that resident’s use. Keys/key fobs and swipe cards issued to the HUH-authorized subresident are intended solely for the subresident’s use.
- If your subresident is moving in to Cronkhite before you, or you are otherwise unable to hand off your keys in person, please complete the appropriate Key Pick-up Authorization form and send it directly to the Cronkhite Property Management Office. (Address is on the form.)
- Once the signed Key Pick-up Authorization form is received by the Property Office your subresident will be allowed to pick up keys as of the sublet start date. During normal business hours they should go to the Property Management Office in Room #100, which is located in the main lobby across from the elevator. Otherwise, your subresident should call the Resident Advisor at 617-312-7112 to check in. If the Resident Advisor can’t be reached, the subresident should call 617-495-1252 and press “0” to contact the Answering Service. Emergency personnel will meet your subresident outside Cronkhite and provide the key packet. Note: Some waiting time will be necessary.
- Subresidents are not allowed to purchase keys/key fobs and swipe cards; the primary resident(s) will be charged for the cost of any keys/key fobs and swipe cards that are provided. The making of other arrangements is at the sole discretion of Property Management.
- The signature of the primary resident on the Cronkhite Graduate Center Sublet Application will be deemed sufficient authority to permit Property Management to supply keys/key fobs and swipe cards to the subcontracted premises to the subresident in the event keys/key fobs are lost/stolen or a subresident is locked out of the unit. In the event keys/key fobs are lost/stolen, the primary resident may be charged a $200 lock replacement fee or a $100 key fob replacement fee, as applicable. If the temporary swipe card is lost or is not returned by five days after the sublet expiration, the tenant will be charged a $25 lost/unreturned swipe card replacement fee.
